

EVERY LEIDER, US Army Lieutenant-Colonel, Retired

AveryLeider@gmail.com al43110n@pace.edu

held Top Secret/SBI Clearance while on Active Duty

257 Little York Road, Warwick, NY 10990 (917) 991-5235

OBJECTIVE: Instructor/Professor and Grant Writer

To deliver value to a meaningful organization from my hands-on experience in identity and information assurance, certification & accreditation and security controls compliance background, and my ability to coach and mentor people while specifically and accurately evaluating and developing their technical skills in computer security. I would like to become self-funding, able to write grants and proposals that draw capital investment and allow me to grow professionally for a mutually benefiting future, where my skills add resources to the budget or deliver cost avoidance to it that is greater than my compensation, and my brains and desire to serve means I continue my hands on research.

SUMMARY OF QUALIFICATIONS:

Twenty five years of experience on Active and Reserve status which include certification and accreditation of automated information systems, logistics, acquisitions, inventory, estimating, validation for contracting to prove accurate delivery of computer services, software or hardware as promised, change management, communications and coordination of resources, quality assurance, customer service, leadership of organizations and personnel. Over ten years Computer and Telecommunications Security experience, including cryptography used to secure data. Six months duty in an imminent danger pay area (Gulf War I), State Awards from Florida for Hurricane Opal operations and New York for World Trade Center 9/11 mitigation operations. Two years Recruiting, Four years Human Resources Management, Four years Liaison Officer experience, two of which were with Communications Electronics Command.

PROFESSIONAL ACCOMPLISHMENTS AND ACHIEVEMENTS:

- Saved my organizations hundreds of thousands of dollars by use of simplicity, making the complex clear. Streamlined procedures in multiple areas of business practices slowed by misfits in their IT security systems.
- Areas of expertise include Personnel and Pay Information Systems, Staff Advisor, Liaison, Automation, Telecommunications, US Army Signal Officer, Systems Automation Officer, Equal Opportunity Advisor, DoD Mediator Certified, Human Resources Officer, Recruiter, DoD Acquisition courses.
- Certified Information Systems Security Professional (CISSP) (2005-2010)

EXPERIENCE:

US Army, **Automation and Signal Officer**, Active Duty, **Multiple Duties** and Locations 1987 to 2012
Identity and Information Assurance, Data Integration, Acquisition, Telecommunications, Compliance, Certification and Accreditation, Security Analyst, Operations, Commander, Logistics Automation, Loss and Shrinkage Investigations, Agent of the Certification Authority (ACA) for Chief Information Officer, US. Army Headquarters
